EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for the following claim amendments in this examiner's amendment was given in a telephone interview with Craig Opperman on August 7, 2006.

The application has been amended as follows:

IN THE CLAIMS:

1. **Replace** independent claims 1, 12, 25, and 35 **WITH** claims 1, 12, 25, and 35 as recited in the attached 23 page fax. Note the first set of claims in the fax is a marked up copy of the claim changes and the second set of claims is clean copy of the claim changes.

Allowable Subject Matter

Claims 1, 3-4, 8-12, 14, 16-35, 39-58, as submitted by Applicant on 6/22/06 and in view of the above Examiner's amendment are allowed.

The following is an Examiner's statement of reasons for allowance:

It is noted that Applicant has overcome all double patenting rejections with the TD filed on 6/22/06.

With regard to independent claims 1, 12, 25, and 35, the prior art of record does not disclose a system as claimed that registers the service capabilities for each user and establishes communications between the users based on the registered service capabilities in combination with all the other recited claim features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Sean Reilly whose telephone number is 571-272-4228. The examiner can normally be reached on M-F 8-5.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Glen Burgess can be reached on 571-272-3949. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
